The Book of Revelation. It's Symbols, Codes, History and Relevance. A look at apocalyptic language and literature, Hebrew and Greek gematria codes, time relevant issues, Christ's inspection and rule over his Church and by his Church, sights and sounds in heaven, fulfillment of God's Kingdom on Earth. Also, what major historical events have reversed direction lately, paving the path for Christ's return. The focus of this class is to allow Scripture alone to be subserving. Each session will begin with a presentation, followed by open discussion.

Growing in God's Wisdom. The International Sunday School series from Mennonite Publishing looks at Growing in God's Wisdom. Anabaptist-inspired communities value mutual exchange and correction in discerning truth. Our communities of faith are centers of learning as the Spirit moves in dynamic ways—between teacher and student, parent and child, trained leaders and laity. The first quarter draws on the Books of Proverbs, Ecclesiastics and Matthew to look at how, in a changing world, we might continue to grow in God's wisdom and what Jesus teaches us about wisdom.

Leaders: John Eby and Lamarr Widmer—Room 114

College and Career. Join post-high school, college and career young adults in an informal atmosphere to explore what it means to live as a Christian in the 21st century. Discussion may include, but is not limited to, trusting God in times of transition, learning to live by faith and current events.
